About CCHC PAC:

We are political action committee of conservative volunteers and we want to inform other conservative voters in Harris County (and other counties) regarding the local elections. We interview the candidates and then our panel members vote by secret ballot on who is the best candidate for each race. Our results should be similar to how conservative voters will vote on the candidates in each election.

What are our Core Principles?

1. Reduce the size, expense and power of government entities.
2. Support for the Constitution and Declaration of Independence.
3. Shift charity in Harris County from government entities to private groups.
4. No more government benefits to illegal aliens.
5. Support Local control for most government powers.
6. Small government requires personal responsibility
7. Marriage is between one natural man and one natural woman.
8. Life begins at conception.
9. Parents have the ultimate authority regarding their children.
10. Free Markets
