

2022 March Republican Primary Voter's Guide

www.cchc-pac.org

Our Voter's panel interviewed candidates in the Harris County contested races and then voted by secret ballot on whom they thought was the best candidate for each race. Our results should be similar to how conservative voters will vote on the candidates in each election.

For contested races (yellow shaded boxes), the panel percentage vote is shown on the right side. Candidates that receive 70% or more are endorsed by CCHC, and their names are shown with Bold Red text.

Most of the candidates filled out our questionnaire, and voters can compare answers between candidates. Please check out our website to read the questionnaires and learn more about the candidates in each race.

What are our Core Principles?

1. Reduce the size, expense and power of government entities.
2. Support for the Constitution and Declaration of Independence.
3. Shift charity in Harris County from government entities to private groups.
4. No Sanctuary Cities; Finish the border wall.
5. Support Local control for most government powers.
6. Small government requires personal responsibility.
7. Marriage is between one natural man and one natural woman.
8. Life begins at conception.
9. Parents have the ultimate authority regarding their children.
10. We support Free Markets.
