About CCHC PAC:

We are political action committee of conservative volunteers, and we want to inform other conservative voters in Harris County (and other counties) regarding the local elections. We interview the candidates and then our panel members vote by secret ballot on who is the best candidate for each race. Our results should be like how conservative voters will vote on the candidates in each election. Our voting results allows each conservative voter to quickly narrow down the conservative candidates in each race. The voter can then visit our website to see the candidates' CCHC questionnaire answers so they can make a comparison between candidates.

CCHC PAC is basically self-funded and raises money from our panel members during election cycles. We are a group of unpaid volunteers, and no funds of any type were solicited, accepted or used from any active political candidates, their families, their co-workers, their staff or their campaigns (unlike other groups in Harris county that have the reputation of accepting fees and donations from candidates).
