

## Questions for Candidates for City Council from the Conservative Coalition of Harris County

This questionnaire will be posted onto the Conservative Coalition of Harris County website for public viewing ([www.cchc-pac.org](http://www.cchc-pac.org)).

Candidate Name	Position that Candidate is Running For
Annie "Mama" Garcia	Mayor

Candidates please give your answer to each of the following questions and include your rationale with each answer. Please be concise and clear.

1. Why are you running for City Council? If elected, what will be your priorities?

**Answer:** Because frontrunner and DINO Senator John Whitmire voted for the bill that led to the hostile state takeover of Houston ISD, and no candidate is talking about it, much less about our stolen School Board election.
2. What experience or skills have prepared you to serve as a city council member? What differentiates you from the other candidates and/or council members?

**Answer:** I am not a politician, thank goodness. I am a fed-up mama.
3. What is the effectiveness of the current system for City of Houston residents to report issues/file complaints? How can this system be improved to better serve residents?

**Answer:** Have you tried to get anything done through 3-1-1? As Mayor, I would guaranty a substantive response within 1 business day.

4. How would you characterize the funding of the following items; Please rank selections, check funding boxes below and provide a short explanation of your reasoning in answer section box:

	Over-Funded / Adequate / Under-Funded		
____ Solid Waste Management	<input type="checkbox"/>	<input checked="" type="checkbox"/>	<input type="checkbox"/>
____ Parks and Recreation	<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>
____ Houston Police Department	<input type="checkbox"/>	<input checked="" type="checkbox"/>	<input type="checkbox"/>
____ Houston Fire Department	<input type="checkbox"/>	<input checked="" type="checkbox"/>	<input type="checkbox"/>
____ Houston Health Department	<input type="checkbox"/>	<input checked="" type="checkbox"/>	<input type="checkbox"/>
____ Municipal Courts	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
____ Libraries	<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>
____ Public Works	<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>
____ Technology	<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>
____ Conventions	<input type="checkbox"/>	<input checked="" type="checkbox"/>	<input type="checkbox"/>

**Answer:** I believe there are immeasurable opportunities to reallocate funding and pursue public-private partnerships to increase services, without increasing the budget.

5. Crime problem in Houston--can the police force be increased? Immigration impact--should Houston be a sanctuary city?

**Answer:** I don't think we need to increase the police force, but instead reallocate what falls to police. Currently, we rely on police for responses to things outside their wheelhouse. Mental health professionals should be integrated into the emergency services pipeline so that our police can focus on responding to, reducing and preventing crime.

6. Do you support amending the City Charter to allow council members to add items to the meeting agendas?

**Answer:** I believe that council members should be allowed to add items to the meeting agendas in accordance with certain guidelines. Otherwise, the efficiency and impact of our government would be further compromised.

7. Do you support the proposed Hospital Bond issue for \$2.5 billion dollars?

**Answer:** Yes
