Candidates please give your answer to each of the following questions and include your rationale with each answer. Please be concise and clear.

- Why are you running for Mayor? If elected, what will be your priorities?

Answer: I have been dismayed, and saddened, at the amount of political division between our “politicians” and their inability to progress our communities forward. By politically polarizing issues, we have divided our “parties” and have come to an impasse in making decisions that could lead to a more positive direction for our cities and State. Houston and Texas, all working together, can create and ensure a shared and sustainable future for our growing communities. Our elected officials jobs should be to ensure our community’s safety, promote a positive environment for families to live in, students to learn in, and businesses to grow in.

As a Mayor of Houston, it will be:
 -->NO Mask MANDATE
 -->NO Covid-X Shots MANDATE
 -->NO shutdowns of Houston businesses
 -->NO lockdowns
 -->NO BAN of Gas & Oil cars, trucks, vehicles, lawnmowers
 -->NO BAN of using Natural gas in your homes or private property

My priorities:

 - 1- Less bureaucracy especially with City Permitting & Licensing.
 - 2- Fixing the Crisis of Affordable Housing.
 - 3- Improve Transit and public transportation.
 - 4- Improve flood recovery and resiliency efforts.
 - 5- Improve Infrastructure.
 - 6- Improve transparency and ethical practices in our government.
 - 7- Lower Crimes and gun violence.
 - 8- Fix the growing unfunded liabilities and structural budget deficit.
 - 9- Build 1 Nuclear Reactor in Houston.

Answer:

As families, communities, and city reel from terrible daily tragedies, we must vow to change our culture and our policies and to stop this cycle of violence. We should be able to live in our homes, send our children to school, pray in our houses of worship, shop in our local malls, and walk through our streets and neighborhoods without being shot. Together we can take action in the memory of those who died and insist that this never happen again.

We have a problem of PR bond problem made by Harris County Commissioners Court, catch and release criminals. Also, no space in jail which is costing us millions of dollars transferring many inmates to other cities jails.
