

## Questions for Candidates for Law Enforcement from the Conservative Coalition of Harris County

*Our questionnaire is for candidates to indicate their reasons and opinions concerning issues surrounding their races. This questionnaire will be posted onto the Conservative Coalition of Harris County website for public voter viewing.*

Candidate Name	Position for which the Candidate is Running
Paul Day	Harris County Sheriff

*Please give your answer to each of the following questions and please include your rationale with each answer. Please be concise & clear.*

1. 

1.	Please describe the qualifications and experience that make you the best candidate in your political race. What differentiates you from the other candidates? <b>Answer: "I, Paul Day, bring over 46 years of dedicated law enforcement experience, making me the most qualified candidate for Harris County Sheriff. My career spans roles in the Niagara Falls Police Department, Houston Police Department, and Harris County Sheriff's Office, including critical positions in SWAT and Hostage Negotiations. My unique combination of on-the-street experience and leadership within these departments sets me apart from other candidates. As a Christian, Constitutionalist, and Conservative, I am committed to upholding the law, protecting our citizens, and leading with integrity."</b>

2. 

2.	Please describe two or three main issues facing the Harris County Sheriff Department and your proposed solutions regarding them. <b>Answer: "The primary issues facing the Harris County Sheriff Department are the rise in crime rates, illegal immigration, and the need for stronger community trust. Let me be clear, I am 100% for "legal Immigration" but this current invasion of the Texas border must be stopped... my approach involves robust community policing, transparent department operations, and a firm stance on immigration law enforcement. Collaborating with federal and state authorities, including supporting President Trump's initiatives, will be key in addressing illegal immigration and related crimes. Additionally, I plan to leverage technology and data-driven strategies to enhance crime prevention and reduction."</b>

3. Please describe any changes to the department's day-to-day operation that your office might make to improve efficiencies.
- Answer: "To improve day-to-day operations, I propose modernizing our technology systems for more efficient communication and reporting. Regular performance audits will be conducted to identify areas for improvement. I also plan to enhance training programs, focusing on both tactical skills and community relations, to ensure our officers are well-prepared for the diverse challenges of modern law enforcement."**
4. Please describe your ideas toward boosting department morale and increasing confidence in your office with the general public.
- Answer: Boosting department morale involves recognizing and addressing the needs and concerns of officers. Implementing comprehensive wellness programs, offering continuous professional development, and ensuring a supportive work environment are key. Increasing public confidence requires transparent communication, community engagement initiatives, and maintaining high ethical standards within the department.**
5. Harris County has seen a large influx in population over the last couple of years. What steps have been done or are needed to handle the increasing county population?
- Answer: The population growth in Harris County necessitates strategic planning in resource allocation, infrastructure expansion, and emergency services. It's essential to assess current resources, determine future needs, and ensure the department is adequately staffed and equipped to handle the increasing population.**
6. Is Harris County prepared for a large emergency event, such as a major hurricane? If not, what additional steps would you like to see taken by county officials to better prepare residents for such an event?
- Answer: While Harris County has made strides in emergency preparedness, there's always room for improvement. I advocate for more comprehensive training for first responders, better public awareness campaigns, and stronger collaboration with local and state emergency management agencies to ensure readiness for major events like hurricanes.**
