Candidate Name	Position for which Candidate is Running
Caroline Kane	US House CD 7 Texas

Please give your answer to each of the following questions and please include your rationale with each answer. Please be concise and clear.

1. Please describe the qualifications and experience that make you the best candidate in your political race.

Answer: I am a small business owner: I manage apartment communities so in essence I run many small business, successfully navigating contract law, budgets, finance, A/P, A/R, payroll etc. I have managed teams of as many as 50employees, successfully.
2. Please explain what you believe are the most significant issues in this race, why you are running for this position and what differentiates you from the other candidate(s).

Answer: I am an America First Candidate. I am looking for a much smaller government run FOR and BY the people. My opponents do not talk of America and Americans First nor do they express a desire a smaller federal government.
3. What will be your top 2 or 3 priorities during this upcoming term?

Answer: We need to drastically cut spending, secure the border, deport illegals, protect the family and end child and human trafficking.
4. What is your position about massive immigration over our southern border? Should the federal government renew financing and building the border wall with Mexico?

Answer: We MUST secure the border and deport all illegals that have come in in the last 5 years. I also propose a 5 year immigration moratorium. This is the only way to protect our elections, infrastructure and culture.

5. Should the US Congress legislate that November elections are under Federal control rather than the states regulating their own elections? What is the Federal government's role in setting voting rules and procedures for these elections, if any?

Answer: I am a staunch supporter of the Constitution, and it says that our elections are to be relegated to the states EXCEPT that elections have now been deemed "critical infrastructure". With that, I will meet with constitutional attorneys to perhaps legislate that our elections are held in person, on election day on paper ballots and hand-counted at the precincts. Absentee or mail ballots should only be issued under very special circumstances.
