About CCHC PAC:

We are a political action committee of conservative volunteers, and we want to inform other conservative voters in Harris County (and other counties) regarding the local elections. Our board of directors endorsements should be similar to how Harris County conservative voters will break toward the candidates in each election. The voter can then visit our website to see the candidates' CCHC questionnaire answers so they can make a comparison between candidates for themselves.

CCHC PAC is basically self-funded and raises money from our panel members during election cycles. We are a group of unpaid volunteers, and no funds of any type were solicited, accepted or used from any active political candidates, their families, their co-workers, their staff or their campaigns.
