

## Questions for Candidates for County Judge from the Conservative Coalition of Harris County

*Our questionnaire is for candidates to indicate their reasons and opinions concerning issues surrounding their races. This questionnaire will be posted onto the Conservative Coalition of Harris County website for public voter viewing.*

Candidate Name	Position for which Candidate is Running
Orlando Sanchez	Harris County Judge

*Please give your answer to each of the following questions and please include your rationale with each answer. Please be concise and clear.*

1. Please describe the qualifications and experience that make you the best candidate in your political race.

**Answer:** Six years as Houston City Councilmember, 12 years as Harris County Treasurer. No other candidate has 18 years of experience in elected office as a conservative in this race. I'm a member of the board of directors of Capital Bank, HCA Hospital and Trustee for the University of Houston Foundation and past chairman of its investment committee
  
2. Please explain what you believe are the most significant issues in this race, why you are running for this position and what differentiates you from the other candidate(s).

**Answer:** Taxes, crime and lack of infrastructure for flood mitigation. I'm running because I bring a good balance of private and public sector experience to the position. I have worked with 2 mayors, two county judges and more than 6 different commissioners in the last 18 years. I believe we've suffered 8 years with a county judge who had no experience; we can't afford to run that risk again.
  
3. What will your top 2 or 3 priorities be during this upcoming term?

**Answer:** Cut Property taxes, support the "Double Nickle" Plan by Lt. Gov Dan Patrick & Sen. Paul Bettencourt. Extricate Harris County from the O'Donnel Consent Decree and deploy flood mitigation bond money approved by voters in 2018
  
4. Should the Harris County Commissioners Court create an efficiency team (DOGE) that will use computer technology such as AI to expose fraud and waste within county agencies?

**Answer:** Absolutely, but as long as we continue to elect weak district attorneys to the office, if they are not willing to bring charges for public corruption, we may have to empower the Texas AG

5. What are the primary functions that can be improved within the Commissioners Court? What sort of things can be done to improve relations, communication and services with the public?

**Answer:** Focus on core issues facing Harris County residents, reduce the lengthy and unproductive court meetings that have been ushered in since Lina Hidalgo took office. Act professionally and courteous, but never weak with colleagues. Most importantly, hold the DA and Sheriff accountable.....Harris County has a deplorable clearance rate with respect to crime.
