Candidate Name	Position for which Candidate is Running
Briscoe Cain	U.S. House of Representatives, TX-09

*Please give your answer to each of the following questions and please include your rationale with each answer. Please be concise and clear.*

1. Please describe the qualifications and experience that make you the best candidate in your political race.

**Answer: I bring proven conservative leadership, legislative experience, and a record of delivering results. As a State Representative, I've passed and defended laws protecting public safety, parental rights, election integrity, and the Constitution. I'm endorsed by Governor Greg Abbott, multiple state senators and House members, and conservative groups like Texas Gun Rights and Gun Owners of America. Having represented much of this district, I understand its communities and am ready to take that experience to Washington to fight effectively for Southeast Texas.**
  
2. Please explain what you believe are the most significant issues in this race, why you are running for this position and what differentiates you from the other candidate(s).

**Answer: The most significant issues in this race are border security, public safety, economic growth, parental rights, and defending the Constitution. I am running to ensure Southeast Texas has a proven conservative voice who will fight federal overreach and put families and jobs first. What differentiates me is my record of delivering results as a State Representative—passing conservative legislation, standing up to radical policies, and representing much of this district firsthand. I offer experience, credibility, and a commitment to results, not rhetoric.**
  
3. What will your top 2 or 3 priorities be during this upcoming term?

**Answer: My top priorities will be securing the border and strengthening public safety, protecting parental rights and constitutional freedoms, and promoting economic growth through pro-jobs, pro-energy policies. I will work to stop federal**

**overreach, back law enforcement, keep taxes low, and support policies that help families and businesses in Southeast Texas grow and succeed.**

4. What are your solutions to identifying and cutting fraud and waste in the federal budget?

**Answer: Identifying and cutting fraud and waste starts with real oversight and the willingness to say no. As a State Representative, I served on Texas' DOGE committee this year, and I have scrutinized agency spending line by line. I've helped kill costly budget amendments, opposed taxpayer-funded DEI programs, and pushed back on spending that doesn't deliver results. In Congress, I will support aggressive oversight, zero-based budgeting, and regular audits to root out waste, end duplicative programs, and ensure every dollar is spent on core priorities—not bureaucracy or political agendas.**

5. What are the most important issues that Republicans need to focus on in order to maintain control of the US House in the November 2026 election?

**Answer: To maintain control of the U.S. House in November 2026, Republicans must stay focused on a clear, America First agenda that resonates with working families. That means securing the border, restoring law and order, and standing firmly with law enforcement. Voters want safe communities and a government that enforces the law.**

**Republicans must also prioritize economic growth by lowering taxes, cutting wasteful spending, opposing woke and DEI mandates, and unleashing American energy to reduce costs for families. Defending parental rights, protecting constitutional freedoms, and standing with President Trump's America First policies will draw a sharp contrast with Democrats and keep the House in Republican hands.**
