Candidate Name	Position for which Candidate is Running
Jaimy Blanco	TX-CD-09

*Please give your answer to each of the following questions and please include your rationale with each answer. Please be concise and clear.*

1. Please describe the qualifications and experience that make you the best candidate in your political race.

**Answer: I am an America First conservative aligned with President Trump's agenda of border security, economic nationalism, and restoring constitutional government. I bring real world business experience, campaign leadership, and grassroots organizing skills. I understand how to fight, win, and govern under pressure while standing firm against media, bureaucrats, and political insiders.**
  
2. Please explain what you believe are the most significant issues in this race, why you are running for this position and what differentiates you from the other candidate(s).

**Answer: This race centers on border security, inflation caused by reckless spending, and stopping the radical left agenda. I am running to help President Trump finish the work he started and to serve as a reliable vote for America First policies. I differ from other candidates by offering loyalty, clarity, and a willingness to confront both Democrats and weak Republicans.**
  
3. What will your top 2 or 3 priorities be during this upcoming term?

**Answer: First, finishing the border wall, ending mass illegal migration, and backing President Trump's enforcement agenda. Second, cutting taxes, restoring energy dominance, and reversing Biden era economic damage. Third, dismantling the administrative state and defending constitutional authority against federal overreach.**

4. What are your solutions to identifying and cutting fraud and waste in the federal budget?  
**Answer: I support President Trump's approach of aggressive oversight, zero based budgeting, and accountability for every federal agency. Any agency failing audits or abusing authority should face immediate funding reductions. I support eliminating entire departments that operate against the Constitution and ending foreign aid that weakens American sovereignty.**
5. What are the most important issues that Republicans need to focus on in order to maintain control of the US House in the November 2026 election?  
**Answer: Republicans must fully embrace President Trump's America First agenda. Border enforcement, inflation relief, crime reduction, and energy dominance win elections. The party must prove it stands with working Americans rather than globalists, bureaucrats, and political elites.**
