

Questions for Candidates for Texas Comptroller Conservative Coalition of Harris County

Our questionnaire is for candidates to indicate their reasons and opinions concerning issues surrounding their races. This questionnaire will be posted onto the Conservative Coalition of Harris County website for public voter viewing.

Candidate Name	Position for which Candidate is Running
Don Huffines	Texas Comptroller

Please give your answer to each of the following questions and please include your rationale with each answer. Please be concise and clear.

- Please describe the qualifications and experience that make you the best candidate in your political race.

Answer: I am a successful businessman who will bring a private-sector mindset to the Comptroller's office. As a State Senator, I never took a penny of government money - no pay, no pension, no healthcare, no per diem. And just like President Trump, I will not take a salary as Comptroller. As a Texas State Senator, I exposed a multi-million dollar corruption scandal that sent six people to prison and saved taxpayers millions of dollars. As Comptroller, I will do it again. What makes me different is I know the money belongs to the people, not the government, and I have always been a watchdog for taxpayers.

- Please explain what you believe are the most significant issues in this race, why you are running for this position and what differentiates you from the other candidate(s).

Answer:
 We need to change the narrative in the Comptroller's Office. The money belongs to the taxpayers, not the government. Right now, the office focuses on collecting revenue. I will focus on how that money is being spent, because Texans deserve transparency and accountability at every level.

My motto in business has always been seeking beyond the obvious, and that is exactly how you find waste that no one wants to talk about. I plan to do things in this office that have never been done before. I have a small sampling of that at donhuffines.com/issues, where you can see how we will put Texans First.

I'm honored to be endorsed by top national leaders like U.S. Senator Ted Cruz, Charlie Kirk, Vivek Ramaswamy, and Riley Gaines. I'm also backed by current and former conservative fighters in Congress including Ron Paul, Rick Santorum, Louie Gohmert, Matt Gaetz, Chip Roy, Wesley Hunt, Keith Self, and Brandon Gill. Unprecedentedly, a supermajority of the Texas GOP SREC and nearly every major conservative organization in Texas has endorsed, including Gun Owners of America, Texas Right to Life, and Moms for America. See the full list at donhuffines.com/endorsements.

3. What will be your top 3 priorities during your upcoming term?

Answer: My top three priorities as Comptroller are simple.

First, I will DOGE Texas government. Texas spends over \$500 million a day, seven days a week. I will audit government, expose fraud, waste, and abuse, and fight to return the savings and budget surpluses to taxpayers through property tax relief.

Second, I will end taxpayer funding for illegal aliens. I will use the Comptroller's Office to expose the true cost of illegal immigration, including the billions spent educating illegal aliens in our schools, and I will fight to eliminate every taxpayer funded benefit for illegal aliens.

Third, I will eliminate woke ideology in government. That means eliminating DEI programs and stopping taxpayer funded woke agendas that have no place in Texas government.

I am a businessman, and I am committed to bringing President Trump's sense of urgency and leadership to Texas. Charlie Kirk endorsed this campaign and said, "Don Huffines is the only candidate in this race with the courage and the track record to bring President Trump's brand of leadership to Texas." That is exactly what we are going to do. We are going to accomplish a whole lot more than three priorities.

That includes demanding a transparent, conservative budget, modernizing the Comptroller's Office so it runs like a business, ending corporate handouts, keeping Texas dollars in Texas, defending the American Dream through lower property taxes, and bringing accountability to agencies like TxDOT so Texans are not stuck wasting hours in traffic.

4. What changes can be made to the Texas Comptroller office to improve tax collections, reduce waste in agency appropriations, enhance state investments, and increase payment efficiencies to vendors and employees?

Answer: The first thing I'll do is DOGE my own office from top to bottom. That means overhauling operations, structure, the org chart - everything - so every team member is performing at maximum efficiency and always aligned with the real customer: the taxpayer. Every dollar spent by government belongs to you. My job is to protect it. We will ensure total transparency and aggressively modernize our software systems, integrating the latest technology so Texans get the efficient, accountable government they deserve.

5. Should our Texas state government create an efficiency team (DOGE) that will use computer technology such as AI to expose fraud and waste within government agencies?

Answer: Texas spends over \$500 million a day, seven days a week. As Comptroller, I will DOGE Texas government to eliminate fraud, waste, and abuse, and return the savings to taxpayers through property tax relief.

I will also expose corruption and put people in jail for stealing taxpayer dollars. As a Texas State Senator, I uncovered a multi-million dollar corruption scandal that sent six people to prison and saved taxpayers millions. As Comptroller, I will do it again. The money belongs to the people, not the government, and I have always been a watchdog for taxpayers.

Before I got in this race, nobody was talking about using the Comptroller's Office to run a serious DOGE program. We are changing the direction of Texas government, and we are going to make accountability the standard.

DOGE TEXAS GOVERNMENT

ABOUT DON HUFFINES

Don Huffines is a fifth-generation Texan, husband, father of five, grandfather of twelve, courageous MAGA Republican, and a self-made businessman who will bring a private-sector mindset to the Comptroller's office.

Guided by his deep Texas roots and commitment to faith, family, and freedom, Don Huffines has a proven record of fighting for taxpayers. While in the Texas Senate, Don uncovered the largest government corruption scandal in modern Texas history, shutting down the agency overnight, sending six officials to prison, and saving Texans tens of millions of dollars. And just like President Trump, Huffines did not take a salary while in the Senate because, as he often says, "I work for the people, not the government."

Now, Don Huffines is running for Texas Comptroller to stand with President Trump in the fight to secure our border. Before he was assassinated, Charlie Kirk endorsed Don Huffines for Comptroller, saying, "Don Huffines is the only candidate in this race with the courage and the track record to bring President Trump's brand of leadership to Texas."

As Comptroller, Don Huffines will DOGE Texas to eliminate fraud, waste, and abuse and fight to return the savings and budget surpluses to taxpayers through property tax relief.

END TAXPAYER FUNDING FOR ILLEGALS

As Comptroller, Don Huffines will expose the policies making the American Dream unaffordable, fight to slash property taxes, and shine a light on local spending and regulations that are pricing Texans out.

FIX TEXAS TRAFFIC

Don Huffines believes Texas traffic is out of control and that orange construction barrels are starting to be the new state symbol. Huffines will audit contracts to ensure roadways are built on time.
