

## Questions for Candidates for Texas Governor Conservative Coalition of Harris County

*Our questionnaire is for candidates to indicate their reasons and opinions concerning issues surrounding their races. This questionnaire will be posted onto the Conservative Coalition of Harris County website for public voter viewing.*

Candidate Name	Position that Candidate is Running For
KENNETH HYDE	GOVERNOR

1. Please describe the qualifications and experience that make you the best candidate in your political race.
- Answer:**  
I am the best candidate because I'm a grassroots outsider with **ready-to-pass legislation** no other candidate has—detailed bills already written to solve Texas' biggest problems on Day 1.
- My qualifications:
- Lifelong Texan, born on Texas Independence Day (March 2)—ready to fight for our state's freedom and sovereignty.
  - 20+ years as a horticulturist and small-business contractor—built my own company, created jobs, fought bureaucracy firsthand.
  - Cannabis reform advocate with real-world expertise in responsible regulation.
  - Committed Christian, husband, and father—guided by faith, family, freedom, and personal responsibility.
- What sets me apart:
- **Freedom Fund** eliminates property taxes forever (no new taxes), funded responsibly by **Cultivate Texas Act** (cannabis legalization the Texas way) and **Texas Freedom Act** (unleashing restricted industries like coastal resorts).
  - **True School Freedom Act** delivers universal school choice—dollars follow the child to public, private, charter, or homeschool, no zip code traps.
  - **Sovereignty Acts** secure our border and ban foreign adversaries from owning Texas land/infrastructure.
  - Defend life/guns/faith/parents—no compromises.
- Insiders talk. I deliver actual bills (full text at [KennethHyde4TxGov.com](http://KennethHyde4TxGov.com)).

2. Please explain what you believe are the most significant issues in this race, why you are running for this position and what differentiates you from the other candidate(s).

**Answer:**

Most significant issues: Sky-high property taxes forcing Texans from their homes, open borders/invasion, foreign ownership of Texas land, failed education funding/trapped families, and crony monopolies blocking freedom/jobs.

I'm running because career politicians promise relief but deliver excuses. As a grassroots fighter, I have written legislation to fix it: eliminate property taxes forever via *Freedom Fund* (responsible revenue from **Cultivate Texas Act** cannabis legalization and **Texas Freedom Act**), **True School Freedom Act** for universal school choice, ban foreign adversaries from our land/border with **Sovereignty Acts**.

What differentiates me: No one else has ready bills with math-backed tax elimination, farmer-first cannabis reform, **true universal school choice** (no caps/lotteries), or full sovereignty plan. Others talk— I deliver action. Grassroots, no PAC money, Texas first.

3. What will be your top 3 priorities with the state legislature during your upcoming term?

**Answer:**

1. **Eliminate property taxes forever** – Pass **Cultivate Texas Act** and **Texas Freedom Act** to fund *Freedom Fund*—50% cut first term, **ZERO** by 2034, no new taxes.
2. **Deliver true school freedom** – Pass **True School Freedom Act** for universal school choice (dollars follow child to public, private, charter, homeschool—no zip code traps, no caps).
3. **Secure sovereignty** – Pass **Texas Sovereignty & Influence Shield Act** (ban foreign/hostile ownership of land/infrastructure) and **Texas Sovereignty Defense Act** (100% border security).

4. Should our Texas state government create an efficiency team (DOGE) that will use computer technology such as AI to expose fraud and waste within government agencies?

**Answer:**

Yes.

Texas government is bloated with waste and fraud. A DOGE-style efficiency team using AI and modern tech to audit agencies, expose corruption, and cut unnecessary spending is essential.

Savings redirect to taxpayer relief—feeding my *Freedom Fund* for property tax elimination. Zero tolerance for waste. Lean government, maximum freedom.

5. What strategies do you have to increase deportation efforts in Texas in accordance with the current federal government ICE efforts?

**Answer:**

Fully cooperate with ICE and expand state-led deportation of criminal illegals.

Strategies:

- Ban sanctuary cities statewide, mandate local law enforcement cooperation with ICE detainees.
- Pass **Texas Sovereignty Defense Act**—deploy Guard/DPS permanently, finish wall (state funds if federal fails), treat cartels as terrorists.
- Prioritize removal of violent offenders, gang members, and repeat criminals.
- End catch-and-release, streamline state processes for rapid deportation.

Texas protects citizens first—no excuses on border security.
