Our questionnaire is for candidates to indicate their reasons and opinions concerning issues surrounding their races. This questionnaire will be posted onto the Conservative Coalition of Harris County website for public voter viewing.

Candidate Name	Position for which Candidate is Running
Esala Wueschner	Lieutenant Governor of Texas

Please give your answer to each of the following questions and please include your rationale with each answer. Please be concise and clear.

1. **Please describe the qualifications and experience that make you the best candidate in your political race.**
Answer: I am running on my own Merit and I distrust the Jews just like the authors of the United States Declaration of Independence. Also, I am a U.S Air Force Veteran, former TX GOP precinct chair, a Buddhist, a former Wrestler, and a Citizen Journalist.

2. **Please explain what you believe are the most significant issues in this race, why you are running for this position and what differentiates you from the other candidate(s).**
Answer: My ambition to Save the World and Humanity exceeds all of the current political affiliates.
 I am extremely knowledgeable on the History of the World and the Synagogue of Satan that have hijacked Texas and the World by the Devil's Children. As a Buddhist, I am supposed to respect all faiths that follow the 5 commandments as the bases of our spirituality.

3. **What will be your top 3 priorities with the state legislature during your upcoming term?**

Answer: My top priorities will be to conduct a public Audit of all Texas committee activities in the past 100 years LIVE on television in order to clean up all the Constitutional violations to hold all contempt for Treason under the rule of Law that was intended by the Founding Fathers who distrusted the Jews.

2nd, To be able to help the elderly that live alone and the lonely youth including the disabled to find love and happiness.

There are many elderly Texans that live on a fixed income and are having a hard time paying their utilities due to Trump's broken promises. No elderly should suffer as they age because they have benefited our Society and we as a society need to help ease their mind so they are able to meet God in the afterlife.

3rd, To restructure the state legislature as I see fit.

4. **Should our Texas state government create an efficiency team (DOGE) that will use computer technology such as AI to expose fraud and waste within government agencies?**

Answer: Elon Musk (Jew), heisted the Federal government by accessing all of our data through DOGE.

I will have many different solutions of my own. It's not possible to go to Mars with our Human Body. We never went to the Moon. Therefore, the current Federal government cannot be trusted with our data due to Israeli's control over hard working Texans finances.

Remember the Alamo! So, no to DOGE

5. **What is your strategy in working with the Texas House to get more of the Texas GOP legislative priorities passed in the next legislative session?**

Answer: I would build a team of Patriots that are Democrat, Republican, and Independent.

There are great people that voted for Democrats and Republicans. I do not like this division within our Texas political structure.

My 96 year old German-American grandma is a lifelong Democrat that gets her daily news from CNN for the past 50 years. She takes all the medical vaccinations like most Democrats and believes all the CNN propaganda. She is a great Democrat like many others that we all know.

So, I do not have anything against people who voted based on their innocence to any political parties in the past.

It is impossible to prioritize Texas legislative responsibilities because the Zionist that has hijacked the GOP and only cares about Israel. Like "Cancun Ted Cruz" who needs to be held accountable for Treason.

My top priority will be to investigate all legislative activities that benefited foreign nations in order to cut all ties from Israeli supporters who mislead American patriots to sacrifice their health for the greater good of the Zionist regime.
