

Questions for Candidates for Texas Lieutenant Governor Conservative Coalition of Harris County

Our questionnaire is for candidates to indicate their reasons and opinions concerning issues surrounding their races. This questionnaire will be posted onto the Conservative Coalition of Harris County website for public voter viewing.

Candidate Name	Position for which Candidate is Running
Timothy Mabry	Texas Lieutenant Governor

Please give your answer to each of the following questions and please include your rationale with each answer. Please be concise and clear.

- Please describe the qualifications and experience that make you the best candidate in your political race.

Answer: I am a sixth-generation Texan, Navy veteran, and former Fire Lieutenant who has spent my life in service. I began volunteering as a teenager, served in the U.S. Navy, and spent over a decade in the fire service, including four years with a small municipality where I was deeply involved in budgeting, operations, and city governance.

While in the fire department, I sat in on city council meetings, worked within constrained municipal budgets, and saw firsthand how policy decisions impact real people. I also operated a small business and helped other businesses grow, giving me real-world experience in economic pressure, regulation, and workforce challenges.

I am not a career politician. I am a servant-leader who understands Texas values, Texas culture, and Texas people, and I am willing to do whatever it takes to secure the future of this state.

2. Please explain what you believe are the most significant issues in this race, why you are running for this position and what differentiates you from the other candidate(s).

Answer: The most significant issues in this race are the unchecked growth of government, crushing property taxes, infrastructure insecurity, and corruption that has distanced leadership from everyday Texans.

I am running because Texas is at a breaking point, and because at the beginning of 2025, I was unmistakably called to step up and lead by GOD. This is not about ambition; it is about obedience, responsibility, and service. I am called to help course-correct our state before it falls like CA and NY.

What differentiates me is simple: I will live under every policy I support. I am a husband and father of two toddlers. Every decision made in Austin will directly affect my family, my children's education, and their future. This is not theoretical to me, it is personal.

I am a native Texan, not a transplant. My family's roots are here. My children are seventh-generation Texans. We are not leaving. This is our home, and I am fighting to protect it no matter the cost. If we want to see change in the world WE must step up and make the change.

3. What will be your top 3 priorities with the state legislature during your upcoming term?

Answer: First, abolishing residential property taxes and protecting small businesses, farmers, and ranchers from being taxed out of existence.

Second, securing Texas infrastructure; water, energy, transportation, and grid resilience so our state can grow safely, sustainably, and independently.

Third, restoring integrity to government by stopping corruption, limiting the influence of lobbyists, ending insider dealing, enforcing term limits, and returning power to the people of Texas.

4. Should our Texas state government create an efficiency team (DOGE) that will use computer technology such as AI to expose fraud and waste within government agencies?

Answer: Yes. Texas must create a government efficiency and accountability team that leverages modern technology, including AI, to expose waste, fraud, and abuse across state agencies.

Texans deserve transparency and stewardship, not blank checks. We are fiscally irresponsible right now, and that must end. Every dollar saved is a dollar returned to the people.

5. What is your strategy in working with the Texas House to get more of the Texas GOP legislative priorities passed in the next legislative session?

Answer: My strategy is simple: unity through purpose.

I will work closely with the Texas House by focusing on shared priorities; property tax relief, infrastructure security, public safety, and fiscal discipline. I believe in honest negotiation, common-ground leadership, and results over rhetoric.

I do not want yes-men. I want strong voices, open debate, and good governance. Texas does not need more division, it needs leadership willing to tackle the hardest problems head-on and see solutions through to completion. Gone are the days of kicking the can down the road. Today is the the that stops and the issues get fixed.

Speaker Bio for Timothy Mabry

Republican Lieutenant Governor Candidate 2026

Timothy Mabry is a 33-year-old, sixth-generation Texan, Eagle Scout, Navy veteran, former Fire Lieutenant, and a lifelong servant-leader committed to protecting and empowering every Texan. He went on to spend over a decade in the fire department, leading men and women through life-and-death emergencies and honing the decisive leadership that would become his hallmark. Today he is a devoted husband and father of two, driven by faith and the belief that "we must be the change we want to see in this world."

Timothy's platform is built on commonsense boldness:

- Abolish property taxes and give working families real relief.
- Disaster preparedness & remediation so Texans withstand and recover from storms, floods, and wildfires.
- Pro industrial and medical hemp agriculture to create \$7 billion in rural wealth and restore American farming.
- Secure critical infrastructure: water, energy, communications, roads, airports, and rail to keep our economy humming and our communities safe. Rebuild the Texas State Guard into a fully-trained, combat-ready force to protect our borders and our citizens.

Timothy is running because Texas is reaching a breaking point. Families can't afford their homes, small businesses are being crushed by bureaucratic overreach, veterans and first responders are being ignored, and corruption is hollowing out the very institutions meant to protect us. I'm stepping forward to end the corruption, restore constitutional governance, and rebuild the Texas Republic for our children and grandchildren.

My mission is simple: secure Texas, defend liberty, rebuild the Texas State Guard, abolish property taxes, strengthen families, protect parental rights, shield small businesses, and return power back where it belongs with **We the Pissed Off People**.

End the Corruption & Rebuild the Republic

Political Ad paid for by the Timothy4Texas Campaign.

TEXANS DESERVE FREEDOM, NOT FELONIES!

**3.5 MILLION TEXANS WERE ALMOST CRIMINALIZED OVERNIGHT.
THIS IS ABOUT FREEDOM, JOBS, AND VETERANS' HEALTH.**

Many veterans rely on natural therapies to manage pain and PTSD. They don't want opioids or to be prosecuted. When hemp businesses are shutdown, farmers lose livelihoods and Texans lose access to safer options.

Timothy Mabry is a Navy veteran, former fire officer, husband, father and small business owner, who's running for **Texas Lieutenant Governor** in the **2026 Republican Primary** to protect Texans from government overreach and corruption.

What **Timothy Mabry** will fight for:

- ✓ Protect jobs and small businesses
- ✓ Protect veterans' access to natural therapies
- ✓ Stop political overreach and criminalization
