

**Questions for Candidates for Harris County Dept. of Education Trustee
Conservative Coalition of Harris County**

This questionnaire will be posted onto the conservative coalition of Harris County website for public viewing.

Candidate Name	Position for which Candidate is Running
Bob Wolfe	Harris County School Trustee, Position #5, At-Large

Please give your answer to each of the following questions and please include your rationale with each answer. Please be concise and clear.

- Please describe the qualifications and experience that make you the best candidate for the office you are running.

Answer: As a former Lone Star College Trustee, elected to multiple terms of office on that Board, and as an attorney with a lifetime of knowledge related to issues that may come before the HCDE Board of Trustees, and having a longstanding understanding of the true nature and proclivities of the Harris County Department of Education, I am the best person to serve in this position for this upcoming 6 year term of office. I will work closely with Don Summers, Paul Bettencourt, Colleen Vera, and other reform minded leaders to do what is right when it comes to issues involving the Harris County Department of Education.
- Please describe what you believe are the most significant issues in this race and why.

Answer: Conservatives must determine a path forward regarding HCDE. By winning the two HCDE seats in the 2020 election cycle and the two HCDE seats up in the 2022 election cycle, we Conservatives can once again regain the reins at HCDE that were so cavalierly handed over to the Democrats in recent months. United together, we will win.
- If you are elected, what do you hope to accomplish while serving as a Harris Dept. Education Trustee?

Answer: My goal as an HCDE Trustee, is to carry forward with reforming HCDE.
- What good things are happening in the district and should be enhanced or continued?

Answer: Wherever conservatives can work together with Department leadership to work toward the good of the people of Harris County, we must do so. Whether that be in adult education or in the training of teachers and other school personnel, we can succeed.
- What ideas do you have for Harris County Dept. of Education to reduce expenditures?

Answer: Abolishing the Harris County Department of Education would be a good start.

|-----|---|
| 10. | Please list any other information or comments that you deem are important to this race. |
| | Answer: I am the father of the retiring incumbent in this race and I know full well the bullying and the attacks my son has stood tall against. I am proud of him and I will do all within my power to live up to his shining example as a conservative Trustee at HCDE leading the way to reform at the Harris County Department of Education. We need more elected officials like Mike Wolfe who stand firm in their convictions regardless of the cost. |
