Candidate Name	Position for which Candidate is Running
Kyle Preston	Congress District 7

Please give your answer to each of the following questions and please include your rationale with each answer. Please be concise and clear.

1. Please describe the qualifications and experience that make you the best candidate for position for which you are running.
   Answer: I have a degree in Civil Engineering, visited 30+ countries,I have owned a small business and have worked in the oil and gas industry for 20 years.

2. Please explain what you believe are the most significant issues in this race, why you are running for this position and what differentiates you from the other candidate(s).
   Answer: Flood remediation projects and transition of oil and gas industry

3. What will be your top 2 or 3 priorities during this upcoming term?
   Answer: Flood remediation projects and protecting oil and gas industry

4. Polls indicate that faith/trust in the US Congress is very low. What can be done to restore the public's faith/trust in the US Congress?
   Answer: Our representatives in congress need to find common ground initiatives that can be beneficial to all people in the United States. It would be good to see more bipartisan participation in government.

5. Please describe what you believe is the proper role for the federal government in job creation and intervention in the economy. What budget items need to be cut (i.e. social programs) and what taxes and fees need to be increased?
   Answer: The federal government should create the opportunity for industry to be competitive on a global scale.

6. Should the federal government finance and build the border wall with Mexico?
   Answer: Like all other countries we need to protect our borders.

7. Do you support defunding "Sanctuary Cities"? Should immigration laws be reformed?

> **Answer**: I do not like the idea of sanctuary cities.

8. What changes should be made to the Affordable Health Care Act (Obamacare), and in general, to the US healthcare system by the Federal government?

   Answer: Affordable Health Care act helped many americans. We still have opportunities to improve our healthcare system.

9. Are any additional federal actions needed to change or enhance Federal gun laws?

   Answer: People want to do the right thing. When I sell my guns at a gun show I would like to know if that person is a ''bad guy'' or not. I would like to be able to do this without the government tracking the sale of my guns.

10. What state and local issues in your district will you address at the Federal level if you are elected?

    Answer: Flood remediation projects have made a dismissal progress. The energy industry will be going through a historic change in the next 10-15 years. I want to make sure laws are in place to protect this industry in district 7.
