Candidate Name	Position for which Candidate is Running
Truly Heiskell	C. D. #18

Please give your answer to each of the following questions and please include your rationale with each answer. Please be concise and clear.

1.

Please describe the qualifications and experience that make you the best candidate for position for which you are running.
Answer: Athlete, Homemaker, Educator & Children's Ministry Coordinator.

2.

Please explain what you believe are the most significant issues in this race, why you are running for this position and what differentiates you from the other candidate(s).
Answer: The Fatherlessness and educational disparity of inner cities. Also not Understanding morality, high expectations and the power of personal responsibility.

3.

What will be your top 2 or 3 priority during this upcoming term?
Answer: Educating the Black & Brown Community on common sense approach of work ethics and the Negro Dilemma or Negro Project. (Margaret Sanger's Eugenics)

4.

Polls indicate that faith/trust in the US Congress is very low. What can be done to restore the public's faith/trust in the US Congress?
Answer: Not being political, but being a statesman. Telling people what they need to hear not what they want to hear. Then, under-promising and over delivering. Don't make a promise you can't keep.

5.

Please describe what you believe is the proper role for the federal government in job creation and intervention in the economy. What budget items need to be cut (i.e. social programs) and what taxes and fees need to be increased?

Answer: Congress need to be given a good laxative. Government needs to be Limited.

They should cut regulations and open the way for “Free Market” and the entrepreneurial spirit to bring goods, and services to market. We definitely don’t need more government. We need much, much less government.

The funding for sanctuary cities should be cut, and penalties exacted. Public education schools are little more than indoctrination centers. If we can’t return to pre-progressive, Jacques Rousseau, developed by John Dewey and others approaches inspired by Planned Parenthood, we should abolish public schools altogether and open it to the privatization.

6. Should the federal government finance and build the border wall with Mexico?

Answer: Yes, Absolutely. If we don’t have borders we don’t have a nation. We are not citizen of the world. We are American first and foremost before we are ethnicities. We are member of the human race. ie., when you need a transplant or a transfusion ethnicity is not a consideration.

7. Do you support defunding “Sanctuary Cities”? Should immigration laws be reformed?

Answer: Absolutely Yes Sanctuary cities are being misused from their intended use. Yes, we desperately need meaningful immigration reform.

Sanctuary cities are the equivalent of quartering and housing of soldiers. People who do NOT respect our most borders are showing us they will not respect our other laws.

8. What changes should be made to the Affordable Health Care Act (Obamacare), and in general, to the US healthcare system by the Federal government?

Answer: It should be repealed. “We hold these truths to be self evident and endowed by their Creator with certain inalienable rights..Life, Liberty and the Pursuit of happiness.” Healthcare is NOT the responsibility of government. We should allow the church and charities to take the healthcare challenges.

9. Are any additional federal actions needed to change or enhance Federal gun laws?

Answer: We have numerous laws on the books. Until the hearts of people are changed No Law will stop the lawless.

The Law abiding will honor the laws. So, the lawful should be allowed to protect themselves against lawless government, and lawless people.

10. What state and local issues in your district will you address at the Federal level if you are elected?

Answer: By far the wholesale maket of abortions, fatherlessness, and poor educators entrusted with the future of our children. Setting up opportunity zones not just for jobs, but on excellent parenting training skills.

Qualifications: I am an overcomer of the “Jim Crow” South with a clear vision to empower and educate others using my skill set as an educator, pastor, and international motivational speaker.

Also a co-director of The King of Glory Ministries a faith-based outreach center, my God-given skills and common-sense approach to teach, equip and train individuals to ~~connect with their inner skills~~ recognize their talents and skills. I have a proven record of success helping people to develop them, then show ~~how to and~~ market their skills as entrepreneurs or employees.

Reasons and Issues Motivating Your Candidacy:

~~As a widow, mother, and “Grammy” to 10,~~ I refuse to stand back and watch the country I love implode through the subversion and sedition of the progressives. ~~As a widow, mother, and “Grammy” to 10,~~ I want to ensure my family’s future is bright and gives them the opportunities our forefathers intended.

I am keenly aware of “The Negro Project” the systematic, planned “Eugenic’s,” of Margaret Sanger’s Planned Parenthood (which has nothing to do with parenthood) platform, specifically designed to dwindle down the black population.

Progressive’s banned the first textbook, “The Bible” in 1962 - 1963 saying Bible reading was unconstitutional, then under the leadership of ~~Mad~~ Madeline O’Hara, prayer was banned from our public schools. We can pray in Congress, but not in our public schools.

We’ve been at 12% of the population since the January 22, 1973. Look at the hard evidence where we were once #1 in academics, now 3rd world nations out-perform our students who are housed in state of the ~~Aart~~ facilities. Now, we have guns shootings across America. When we “Fail to plan, we plan to fail.”

Party References. Active HCRP member or precinct chair endorsements: Paul R. Day; J. C. Spencer; Dr. Milinda Morris, Emely McHattie.

Active Memberships in clubs, groups, associations, etc.:

The Central Village Republican Women's Club; Intercessors for America; American Center for Prayer & Revival; Hispanic Action Network - Mark Gonzales; The Joshua Generation - Pastor Jose Pascua

Have you ever voted in a primary other than Republican? (Yes or No): (If yes, please explain)

I voted as a Democrat until Pat Robinson ran for the Republican Party in September of 1987. That year my husband became precinct chairman in Katy Texas, and we were both delegates to the convention. I walked away when the Democrats passed legislation for Roe vs. Wade; the deliberate death of unborn, innocent children designed to keep our population stagnant.

Additional Comments for the Campaign Committee and the Harris County Republican Party Leadership:

I believe we need to ~~simply~~ return to the ~~heart~~ **principles** of our founding fathers and mothers of America. They were willing to serve, sacrifice and entrust their fortunes to the dream of ~~L~~liberty **and justice** by ~~L~~limiting ~~G~~government. They had the right heart, and the right principles that made ~~the~~ USA a pinnacle nation and the envy of nations.

I deeply believe we can, 'RESTORE' America's greatness by off-setting the Statue of Liberty with the ~~Staima of Responsibility~~ **stamina of responsibility**.
