

5. Please describe what you believe is the proper role for the federal government in job creation and intervention in the economy. What budget items need to be cut (i.e. social programs) and what taxes and fees need to be increased?
Answer: The proper role of government is to be limited and be focused on the local and state level instead of in Washington. I believe we can cut funding to research and other projects in the federal government that are not directly helping the American people.
6. Should the federal government finance and build the border wall with Mexico?
Answer: Yes
7. Do you support defunding "Sanctuary Cities"? Should immigration laws be reformed?
Answer: No, yes we can reform the immigration system to be fair and legal for all who want to enter including; test, fine and a period to investigate individual before they can enter into the United States.
8. What changes should be made to the Affordable Health Care Act (Obamacare), and in general, to the US healthcare system by the Federal government?
Answer: We should defund it because of the individual mandate and work with private insurers to be able to negotiate prices and get the lower costs for consumers; but government should not be in the way of it.
9. Are any additional federal actions needed to change or enhance Federal gun laws?
Answer: No, law enforcement should enforce the laws currently on the books.
10. What state and local issues in your district will you address at the Federal level if you are elected?
Answer: I will not mess with state or local officials or vote on anything that will harm our local governments from being able to do the great work that most of them are already doing.
