Betsy Bates - Candidate for Texas Congressional District 08

Betsy Bates was born in Port Arthur Texas and is 57 years old. She raised her family in the Tomball TX area. Betsy is a wife, mother, grandmother, worker bee and Christ Follower. She was recruited to run a multiple physician medical practice because she was constantly trying to make the O.R. operate more efficiently. With no prior management experience the practice grew from two physicians to five and thrived under her management for many years. Her husband was transferred to the DFW area where she returned to work in the Gastroenterology/Colorectal field and in the O.R as head of training.

Betsy has her M.A, Surgical, Lab, Advanced EKG, ALS and GTS Licenses and Certificates. She took her High School Sunday School class on countless mission trips and helped coach her Daughters Soccer and Softball teams. Betsy is an athlete and was an avid soccer player.

I liked Trump from the start because he tells it like it is and that's my style. I have never been in politics or run for any office before. People love that I have absolutely NO affiliation or ties to the Washington establishment or through their campaign donations. In fact, I told my supporters I would rather have your vote than your money.

They say the definition of insanity is doing the same thing over and over again expecting a different result; this is why I decided to run for Congress. Former establishment endorsed candidates, some with military service (McCain, Romney, Lamb, Kinzinger, Cheney, Graham, Murkowski...) how have they worked out for us so far? We have to stop voting for who the establishment is selling us. Even the local Republican PACs silence the opposition, the non-establishment candidates' voices. Your vote is steered in a direction without even knowing it. It is time to break that cycle!

I am pro-life and a strong pro 2A supporter. I am against all red flag laws and mandates period. We must get our border under control starting with a moratorium on immigration while we build the wall, fix our laws and hold NGOs accountable. Then start the process of removing all who entered our country illegally. I have a great plan for how to do this. Get to the bottom of the stolen election, impeach Biden and Harris if not removed first. Revoking Soros's citizenship and all who try to destroy our country. Fixing the economy by removing all crippling regulation especially the covid mandates. Making all CR in budgeting illegal and requiring all Bills to be standalone legislation by stopping omnibus bills. Term Limits is a must! Time to eliminate most of the bureaucracies that waste taxpayers' money on lies and a leftist agenda.

This is a start on how to shrink government and spend taxpayers' money on Americans and Vets. The same old same old candidate won't cut in anymore. We take our country back, when the average American gets a seat at the table, that's Betsy Bates.
